## Special Announcement

**ElGuindy, Meyer & Koegel, LLP and David L. Price Esq. are pleased to announce that they have merged their law offices and that David L. Price has joined ElGuindy, Meyer & Koegel, LLP effective January 1, 2017.**

David Price Esq.

David Price maintains a practice almost equally divided between litigation and transactional matters. Mr. Price has extensive litigation and trial experience in real estate, business and construction matters. He has represented parties in major, regional antitrust actions, property owners and contractors in engineering and construction disagreements, and parties in the disputed separation of co-tenant interests in major income properties. Mr. Price also served as general counsel to the NBA's Sacramento Kings from the team's relocation to Sacramento in 1985 until retiring from that role earlier this year. His experience, accessibility and consistent attention to detail have enabled him to provide quality, timely and cost-effective legal services to his clients. He maintains not only the highest standards of professional competence and integrity, but also the high ideals of ethics and public service.

ElGuindy, Meyer & Koegel, LLP was founded with a single goal - to provide our clients with extraordinary and personalized service through dedicated and experienced attorneys who are not only well-versed in the law, but also know how to effectively and efficiently manage litigation. In that vein, each case is offered a unique evaluation and recommendation for resolution. Our attorneys not only have the knowledge to aggressively pursue favorable outcomes for our clients, but also have the experience needed to counsel our clients when the circumstances warrant a pre-trial resolution. ElGuindy, Meyer & Koegel, LLP is pleased to have David Price join the firm, and to continue to ensure that each client receives the highest level of service by the firm's attorneys.
